Gephi workshops

I organize online workshops and personalized trainings for Gephi, for beginners and experts. To schedule one or to get more information: analysis@exploreyourdata.com.

You can also book Gephi trainings from:

- [Nethabitus](#), a consultancy in computational anthropology which organizes trainings and workshops in Spanish.

Gephi tutorials

a. A series of tutorials for beginners and advanced users by Dr. Veronica Espinoza

[Veronica Espinoza](#) has a Phd in Sciences and humanities and an MSc in neurobiology. She is a staff member of the [Social Media Research Foundation](#) and an expert in tools for network and textual

data exploration.
